Dear Sir,

Sub: Non receipt of Merit cum means scholarship amount by Mr
Akshath George for 2023

Ref: Application ID – KL - 202021011894002

I attach herewith an email received from Mr Akshath George which is self-explanatory. Mr George hails from my Kottayam Parliamentary constituency and the issue is non receipt of Merit cum Means Scholarship for professional and technical courses.

Mr Akshath George has been getting the scholarship till last year. However, he is not getting it now for more than a year. He is a deserving candidate and I know him and his family personally.

I would be grateful if you could kindly have the matter looked into and ensure that the receipt of Merit cum Means Scholarship to Mr Akshath George is restored as soon as possible.

All the relevant papers are attached for ready reference and I am sure you will take speedy action in the matter.

With best wishes

Yours sincerely,

Thomas Chazhikadan
